

Authorization to use photography and personal data

I. Authorization to use photography

Upon issuance of your "Aquipass" multiservice student card, your photograph will be stored on a server. It can also be used to constitute a trombinoscope for the exclusive use of teaching and administrative teams. Your photograph will then be protected and accessible only by the administrator of this service. It will be kept for the duration of your schooling at the University and will not be passed on to third parties, sold or used for any other purpose.

II. Authorization for the transfer of personal data to the CNOUS

The "Aquipass" card allows you to pay for various services thanks to the electronic payment system "Izly" ("dematerialized purse" refillable online by credit card or SEPA transfer.)

- Meals in university restaurants;
- Purchase of snacks or beverages products in vending machines;
- Photocopying or printing facilities.

To take full advantage of these services, you must authorize the institution to transmit the following data to the National Center for University Works (CNOUS) :

- Family name ;
- First name ;
- Date of birth;
- E-mail address from the Université de Bordeaux.

If you do not authorize this transfer of data, you will not be able to benefit from the services that are paid for using the "Izly" technology. You can use the university restaurants on presentation of your card and you will have to pay the student fee in cash.

III. Authorization for the transfer of personal data to the « Erasmus without Paper » network

The European "Aquipass" card offers the dematerialization of administrative procedures for students on Erasmus + mobility. It provides access to courses and course materials online, to benefit from the services offered by the host university (accommodation, catering, libraries, etc.) and to benefit from reductions on cultural activities or on public transport.
